Reason for the Change

Due to IC supply constraints, some of critical shortage IC components such as power IC, TPM and LAN chips impact the manufacture of UNO-2372G-J0/E0 AE series and increase the delivery lead time. Given that components shortage might not be solved in 2022. Advantech provide revised version on UNO-2372G-J0/E0 AE product series to increase supply flexibility by implementing alternative part.
