Re: End of Life (EOL)- Amphenol p/n 12401544E4#2A & 12401698E4#2A

Dear Value Customer,

We continually strive to improve our high level of customer satisfaction and technical development. Therefore, we made a commercial evaluation of the USB type C 3.1 and printed circuit connectors. The result is that we can not produce the Amphenol PN12401544E4#2A & 12401698E4#2A economically anymore. We will discontinue them and there will be no replacement.

This letter serves as a formal End of Life notification.

If you have any further question, pls feel free to contact us.
