Product End of Life Notification	01/18/2022
Product Line	Digi ConnectCore 6

Description of Change	In order to optimize the SKU mix in the ConnectCore 6 product line, a consolidation of selected SKU's will be implemented to streamline the product offering. The selected SKU's were chosen due to lack of market demand. Affected Part Numbers/Replacement: See attached table

Timing of Change	Wireless SKU's: No last time buy offered Wired SKU's: Last time buy orders must be received by February 28th, 2022 Last time shipments will be completed by May 31st, 2022

EOL Terms and Conditions	• All Last Time Buy purchase orders are non-cancellable & non-returnable (NCNR) • Standard warranty policy will apply Contact: Please contact your Digi Sales Representative

Authorization	Digi International Embedded Product Management

ConnectCore 6 EOL SKU List

EOL Part Number	Description	Replacement Part Number	Description
CC-WMX-L96C-TE	Industrial quad-core 800MHz, 4GB eMMC, 512MB DDR3, -40/+85C	CC-WMX-L97D-N	Industrial quad-core 800MHz, 8GB eMMC, 1GB DDR3, -40/+85C
**CC-MX-L86C-Z1	Industrial dual-core 800MHz, 4GB eMMC, 512MB DDR3, -40/+85C	*CC-WMX-L87C-N	Industrial dual-core 800MHz, 4GB eMMC, 1GB DDR3, -40/+85C
CC-MX-L96C-Z1	Industrial quad-core 800MHz, 4GB eMMC, 512MB DDR3, -40/+85C	*CC-WMX-L97D-N	Industrial quad-core 800MHz, 8GB eMMC, 1GB DDR3, -40/+85C

*No wired replacement variants available

**Alternative wired replacement would be CC-MX-L76C-Z1(ConnectCore 6 I-DualLite-4-512), Dual-Lite processor provides reduced feature set and graphical capabilities
