Overview

- Molex is replacing a component in our MTP connector kits. The supplier for the current spring push component (see picture), has discontinued one version. The supplier has offered a direct replacement spring push that does not affect the form, fit or function of the MTP connector kits Molex uses in its MTP cable assemblies. These components look almost identical and will have no impact on performance.
- Product Impact
 - No impact to fit, form or function
- Part Number Impact
 - See attached impacted parts list
- Qualification Reports and samples available upon request after the date shown above
