Product Change Notification: P-21-021316

PCN Date: 12-AUG-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Standardization of Mini K-HV packaging.

Description of Changes

Dear customer, within our ongoing efforts to optimize our product portfolio throughout the lifecycle, we have made the decision to improve the packaging of our product. We are going to introduce a standardization of packaging which results in an optimized packaging with an additional protective plastic bag. The parts per packaging unit will be increased from 56 pcs to 80 pcs. TE Connectivity Sales Team will answer your questions on any additional information or clarification that may be needed in that respect.
