Summary

Dear Customer,

We would like to formally notify you about a Sierra Wireless decision to phase out the HL snap in socket removal tool (SKU#6000600) by introducing a new removal tool. This new socket removal tool (SKU#6000658) is designed for both WP and HL series snap in sockets. The Customer Process Guidelines document has been revised with the update information accordingly.

Since the HL development kit includes HL snap in socket removal tool in the package, there is an impact in HL dev kit (SKU#6000620) due to this removal tool replacement change.

The timing of HL snap in socket removal tool EOL is as follows:

1. Last time buy (LTB) date is September 30th, 2016.
2. The corresponding last time delivery date (LTD) is December 30th, 2016.

In order to help Sierra Wireless adequately forecast the demand, we appreciate that an updated forecast be provided on regular basis from now until one month before LTB date.

No additional orders will be accepted after September 30th, 2016.

Effective Dates

Last Time Buy: 9/30/2016 (September 30th, 2016)
Last Time Delivery: 12/30/2016 (December 30th, 2016)
