

Business Unit: HARTING Electronics **PCN/20/011/PM+MD-US**

Product range: M12 PCB Receptacles Date: 2020-10-28

Title: Coding Indication for M12 X-code Cat5 PCB Receptacles Page 1/2

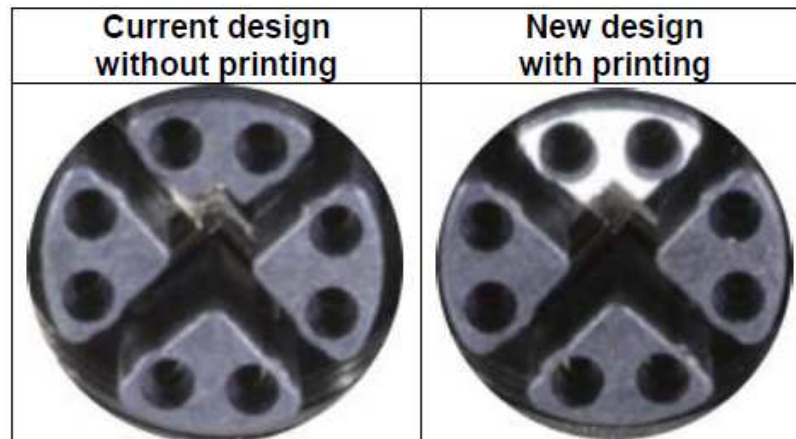

Details of the Product Changes

1. Affected Part Numbers

21033812803, 21033812805, 21033812807, 21033812809, 21033812812,
21033812814

2. Description of the Change

Visual indication of the coding position in the mating face of the M12 X-coded Cat 5 PCB receptacles. This visual indication has been implemented by using a white marking on the M12 X-coded mating face.

3. Impact on the Product Specification

This change does not have an impact on fit, form or function of the products.

4. Scheduled Date of Implementation

With immediate effect. Please consider mixed shipments of receptacles with visual coding indication and without visual coding indication for a short period of time.

5. Identification of Change

There will be a new revision level created for each part number.
