Before Change

After Change

Before

After

- Overview:
- For improved fit, and continuous improvement, we are changing the insulation material on the 6 gauge (PVC) Ring Terminals to the same insulation material but with a larger ID. The change also allows these parts to use the same insulation ID size as other terminals in the same family.
- Product Impact:
- The parts will have less white stress marks as a result of the larger ID
- See attached impacted parts list
- Qualification and samples are available after the dates listed.

Product Change Notification (PCN)

You may address any technical inquiries regarding this PCN by sending E-mail to pcn_coordinator@molex.com or your Local Sales Engineer.

Note: While responding, please retain "**PCN Notification:505951**" in the e-mail Subject line for faster response.
