To our relations

Subject: Provertha articles

's-Hertogenbosch, 24-09-2019

Dear relation,

Since years already HARTING BV delivered to you articles from the brand Provertha. Recently Provertha changed there own price policy which they announced to you by email. Unfortunately HARTING BV and Provertha don't reach a good and healthful agreement together on this new price policy. HARTING BV decided to stop immediately with this activity. That means that we cannot provide you anymore with articles of the brand Provertha.

Before the end of this week 39/2019 you will receive the information which orders we can deliver and which we have to cancel. In the future you can order directly by Provertha.

We thank you for your trust. Of course we will serve you with all HARTING materials as we did before, with the same service that you are used to.

Thank you for understanding.

Best regards,

Cor van der Graaf
Managing Director
HARTING BV
