## Before Change

### Overview

- The purpose of this letter is to inform the change of plating from PdNi with gold flash to Gold for Picoflex series terminal.
- This is because of the Picoflex transfer to Malaysia due to the Shannon closure and the lack of localised plating house that can plate PdNi.

## After Change

### Overview

- The sales drawing will be updated from PdNi with gold flash to Gold. We have performed the reliability test and the result is no impact on the fit, form, function, appearance and performance of the product. The test report is available upon request.
- Molex Malaysia Part Number(s) Affected:
  - Please see the part list attached.
- The qualification report is available upon request
- Drawing will be revised according to this change.
