

INDUSTRIAL AUTOMATION

Product Change Notice (PCN):

Programmable Logic Controller (PLC) Software Part No. & Distribution Method Change

Panasonic is pleased to announce the transition to electronic distribution for select **Industrial Automation's PLC Software** purchases. Software will no longer take several days to receive by mail in favor of a more efficient way of distribution, electronic delivery.

To implement this improved distribution method, the part numbers previously associated with this software have been discontinued and replaced with the NEW part numbers listed in the table below.

NEW PART NUMBER LIST (EFFECTIVE IMMEDIATELY)		
PRODUCT	DISCONTINUED Part No.	NEW Part No.
FPWIN PRO 7S	FPWINPRO7S	LICENSEFPWINPRO7
FP Web Configurator	FPWEBTOOL2D	LICENSEWEBCONFIG
FP OPC Server	AFPS03510D	LICENSEOPCSERV

PLEASE NOTE

- **This change notice ONLY pertains to the software listed below.**
- **Pricing will remain the same.**
- **Effectively immediately, all purchases of these new software part numbers will only be distributed electronically.**

ORDERING INFORMATION:

- EDI orders will no longer be accepted.
- Orders for this software must be placed via email to your customer service rep and copy purchasing at:
purchaseorders@us.panasonic.com

SOFTWARE INSTALLATION:

- Upon order confirmation the software will be emailed to you within 1-2 business days.
- Email will include the following:
 1. A link to download the software
 2. A unique license key.

Should you have any questions, please reach out to your Panasonic Industrial Automation Regional Sales Manager (RSM).

If you need to look up your RSM, you can use the following link to search for the **Panasonic Sales Office** responsible for your region.
