The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The tool sets were delivered in a cardboard box, the production of which has been discontinued. The tool sets will be packed in the reusable tool bag 1212423. The tools can therefore be safely transported and are protected during storage; in addition, this change is of benefit to the environment. The properties of the set contents remain unchanged.
