Subject: Product Discontinuance Notification

PCN #: PCN-00626

Dear Valued Customer:

In accordance with M/A-COM Technology Solutions' customer product discontinuance policy, this communication is to inform you that M/A-COM Technology Solutions is discontinuing the part numbers listed on the following pages. You are receiving this notification because you have purchased one or more of these products within the past two years. The reason for the discontinuance is due to the external wafer supplier, of the listed products, no longer being a viable entity for future production.

We fully understand the inconvenience that this notification brings and we are committed to assisting you to the best of our ability to find a suitable replacement. Many of the listed products have a suggested alternate part number and samples are readily available. In addition our applications team is available to assist in any way regarding the use of these alternate parts as well as providing competitive crosses where necessary.

It is imperative that you review your usage and respond quickly. There is a limited amount of inventory that remains. Last time buy orders will only be accepted until this stock is depleted.

Again we regret any inconvenience that this may cause and if there are any questions about this communication, please contact your local M/A-COM sales representative.

Sincerely,

Loren Reifsteck
U.S. Quality Manager
