Label Change for Enpirion Power Devices

Change Description:

The container labels of Enpirion Power devices will be updated with the following:

Table 1.

Label Content / Field	Change From	Change To
Company name and Logo	Enpirion	Altera
Lot Number	For a reel with combination lots, both lot numbers are shown on the label.	For a reel with combination lots, the mother lot number (dominant quantity) will be shown on the <u>barcoded field</u> . The 2 nd partial lot number (P-LOT NO) and partial lot date code (P-DC) will be shown in smaller print at the bottom right of the label for information only.
Date Code content	Two datecodes shown for combination lots	Single datecode of the dominant lot quantity shown
Date Code format	SYWW Where: S = assembly supplier country of origin code Y = last digit of the year WW = workweek	YYWW Where: YY = last 2 digits of the year WW = workweek
Country of Origin separate field or line	None	Add an Origin field for Country of Origin

The change affects the following container labels: TNR/ reel, Moisture Barrier Bag (MBB), intermediate/pizza box.

Recommended Action

Customers are being notified to take note of the label change. The change has no impact to the form, fit, function, quality, and reliability of the devices. There is no anticipated impact to the customer's board assembly process.

Reason for Change:

The change is being implemented to standardize label content across all Altera products.

Products Affected:

This change affects all Enpirion Power devices. See [Appendix 1](#) for detailed list of affected Ordering Part Numbers (OPNs).

Product Traceability Information:

The change will be visible on the container labels of Altera Power products.

Product Transition Dates:

Customers are requested to take note of the key dates shown in the table below.

Table 2:

<i>Milestone</i>	<i>Date</i>
Earliest change implementation date	January 11, 2016 Datecode 1602

Altera will start implementing the new label on the date indicated above.

However, existing Finished Goods inventory will carry the pre-change labels and will be shipped as is until inventory is depleted.

Contact

For more information, please contact your nearest sales representative or contact Technical Support by submitting a Service Request at Altera's [mySupport](#) website.

Customer Notifications Subscription

Customers that have subscribed to Altera's customer notification mailing list will receive updates automatically via email.

If you would like to receive customer notifications by email, please subscribe to our customer notification mailing list at <https://www.altera.com/subscriptions/email/signup/eml-index.jsp>
