1. Purpose

This document is to announce the discontinuation of a partial listing of part numbers in association with C&K's DIGISTAST Series.

2. Discontinuation details

2.1 *Part numbers affected*

List of affected part numbers in appendix 1

2.2 *Possible replacement*

C&K offers other variations of Digitast products, which offer the same functionality. Please contact your C&K Sales Representative for further assistance and guidance on selecting a suitable alternative.

2.3 *Reason for discontinuation*

C&K continually reviews its product portfolio and streamlines items as appropriate. The market requirement for this style of products is low and it is now un-economic to maintain the dedicated tooling and/or specific machine set-up.

3. Date of application

- Last Time Buy: 20th November 2021
- Last Delivery: 20th May 2022
- Date of Discontinuation: 20th May 2022
