

Angled Head Speed Wrench Double Ended- Data Sheet

Speed head makes tightening and loosening quick and easy, plus head is angled (15°) to ease access. It comes with a hole in the handle for a clip or other hanging device. The ASW-12 measures 1/2" at both ends. The ASW-716 measures 7/16" at both ends and the ASW-916 measures 9/16" at both ends. Made of chrome vanadium steel, chrome plated and polished to a high gloss finish. Patented.
