Re: LFPCN# EPC510-01

To our valued customers,

To ensure the highest levels of quality control and continuity of supply, Littelfuse would like to notify you of a newly qualified manufacturing facility including minor design enhancements for LSIC1MO120E Series Silicon Carbide MOSFETs.

Affected products:

LSIC1MO120E0080
LSIC1MO120E0120
LSIC1MO120E0160

There are no changes to fit, form, or function and this notice is for your information only. Littelfuse will begin shipping enhanced product from the new facility as soon as June 15. Qualification details are available upon request.

If you have any questions or concerns please contact your local sales representative. We value your business and look forward to serving you wherever possible.

Best Regards,

Corey Deyalsingh

Product Marketing Manager, Silicon Carbide (acting)

Semiconductor Business Unit
