<b>Description of change</b>	<p>The EtherLite 2 port product variation is being discontinued. The EtherLite 8 and 16 versions will remain active. This is an ongoing effort to streamline our product offerings to focus on consistent product availability while maintaining our high quality of product. This product also has several last time buy components that are becoming difficult to procure on this 20 year old product.</p> <p>There is limited availability of these products. Submit orders as soon as possible to ensure availability.</p> <p>All LTB purchase orders are NCNR (non-cancellable/non-returnable).</p> <p>Standard warranty policy will apply to all LTB purchases.</p>
