Dear valued customer,

Due to the uniqueness of materials and overall demand, Excelitas will be closing down the manufacturing line for these products. You will have the ability to place your last time orders to be delivered within the time period given below. We will do our best to satisfy all LTB orders. While we know this will cause disruptions in your manufacturing, we hope that through this EOL offer we are able to reduce this to a minimum. Please reach out to the contacts below in Sales or Customer Service with any questions or concerns regarding this notification.
