

Product Change Notification (PCN)

PCN Number	509579	Date Issued	September 02, 2021
Reason for Change	Change to Product		
Change Type Description	This letter is to inform you that changes are being made to the part(s) identified in this Notice. The change may affect the fit, form, function or appearance of the parts, or it may result in a change to the specification. The details below show an example of the possible differences.		
Assessment of Change	First article inspection		
Internal Molex Qualification Date	December 01, 2021		
Sample Availability Date (Changed Part)	December 01, 2021		
Planned Implementation Date	March 03, 2022		
Method of Identifying Change	No special marking on the product or packaging		

Before Change

- Contact and area affected shown below:

After Change

Overview

- Change in the contact used in M12 12pol. female products. The purpose of the change is to increase the retention force of the contact inside the insert for different insert materials. This is reached by a small adjustment of the contact geometry, in the area of the harpoon.
- Product Impact
 - No impact to the finished goods in fit, form or function
 - Change in the contact inside them
- Part Number Impact
 - See attached impacted parts list
- Qualification Reports and samples available upon request after the date shown above

Product Change Notification (PCN)
