

Product Change Notification

TE Connectivity

Product Change Notification: P-17-014554

PCN Date: 29-JUN-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
1001086 TM03 0.17MM*13MM AB

Description of Changes
Manufacturing location change. Following Part Numbers will be transferred from an existing to a new line at our German SUP : PN 1-705464-5

Reason for Changes:
To ensure the quality level as well as the supply also in future we would like to inform you with this PCN about introducing a new plating line at our Supplier in Germany. This transfer from the existing to the new line will be performed on the plating-process for component level. As the new line will be technical equivalent to the existing one, the process validation-, capability analysis and release will be done TE internal. If you would like to review the planned scenario please contact your Sales/Marketing representative.
