

PCN Tracking Number: PCN\_FT\_025

Issue Date: 2016-10-04

## Product Change Notification

<b>Product Part Number</b>	<b>UMFT600A, UMFT601A, UMFT600X and UMFT601X USB 3.0 Super-Bridge emulation boards</b>	<b>Estimated implementation date</b>
<b>Description of Change</b>	<b>Update FT60x to Rev B in UMFT60xx modules</b>	<b>Oct 2016</b>
<b>Reason for Change</b>	<b>FT60x Silicon modification to rev B</b>	
<b>Detailed Description</b>	<b>Update FT60x firmware to rev B.</b>	
<b>Impact to Data sheet</b>	<b>Functions not changed. Update Part number for clarify</b>	
<b>Benefit of Change</b>	<b>Issues fixed – see PCN_023 for IC level improvements</b>	
<b>Markings to distinguish revised from:</b>	<b>Part number UMFT600A will replace by UMFT600A-B Part number UMFT601A will replace by UMFT601A-B Part number UMFT600X will replace by UMFT600X-B Part number UMFT601X will replace by UMFT601X-B The new part number will be indicated on the label of PCB and Box.</b>	
<b>Sample Availability</b>	<b>Oct 2016</b>	
<b>Risk Assessment, Fit Form and Function &amp; reliability</b>	<b>Fit: Dimension have not changed. Form : Visual appearance is unchanged Function: Device function improved with revB FT60x IC</b>
