To Whom It May Concern,

This is to inform you that Essentra has made the decision to obsolete several XT and 27XT series parts from our offering. You are being notified because you have ordered these parts in the past.

Please see the table on the second page. The replacement parts are an exact replacement of the old part number; in term of meeting Essentra drawing requirements. This change is due to either new tooling, machine, or location of manufacturing.

The effective date is May 25, 2022. If you have further questions, please speak with your sales contact.

Best Regards,

Greg Mifsud
