Overview Description of Change

- Due to the increased demand for OEM products, we are experiencing extremely high demand beyond our capacity to respond within lead time. Molex is expediting capacity component tooling to increase output.
- The additional tooling will be qualified and production run in Molex Chengdu.
- Duplicate Molds with no change to design/build
- "No impact to fit, form, function".
- These part numbers are Molex proprietary designs, therefore considered catalog/general market product.
- Level 4 PPAP will be available upon request beginning 16 of June,2021. If PPAP requested, disposition response required within 5 days of submit date or it will be considered approved.
