General Product Description:

CE mark omission

Description of Changes

Because of the new Low-Voltage Directive we checked our CE marked parts (Interface relays, sockets and accessories) and noticed that the sockets, relays and accessories which are listed in this PCN are not affected by the new CE Directive 2014/35/EU and so it is not allowed to mark these parts with CE in future. So we will remove the CE marking from all parts/labels at all parts listed in this PCN.
