The history for these products shipped from January 2016 to date is attached.

Please contact any of your customers that may be purchasing these products to advise them of this information and to offer a last time buy if applicable. Limited to the 650W models from the HCP series, the reason is due to component obsolescence and low sales revenue, with the HDS800 being the closest alternative.

The deadline to receive customer orders is 31st July 2019, all product must be shipped to customers by 31st October 2019.

The XP product status list has been updated, this is our central reference and should always be referred to for current product status.

If you have any questions, please contact your immediate manager to discuss.

Best Regards
