Dear Jonard Tool Community,

We have discontinued the part numbers listed below (nine in total).

We continue to make the [PTX-FLA flashlight](#) that is compatible with our entire PTX series of skus. However, moving forward customers must purchase the item or kit separately and add the PTX-FLA to their order (rather than purchase one of the below product part numbers):

Discontinued Sku:	Superseded By:
PTX-1BFFL	PTX-1BF and PTX-FLA
PTX-1FL	PTX-1 and PTX-FLA
PTX-2BFFL	PTX-2BF and PTX-FLA
PTX-2FL	PTX-2 and PTX-FLA
PTXFL	PTX and PTX-FLA
PTX-KIT1DHFL	PTX-KIT1DH and PTX-FLA
PTX-KIT2DHFL	PTX-KIT2DH and PTX-FLA
PTX-KIT1FL	PTX-KIT1 and PTX-FLA
PTX-KIT2FL	PTX-KIT2 and PTX-FLA

Thank you for your understanding and please contact me with any questions.

Sincerely,

Bridget
