

Relocation Notice of IL-AG9-3S-S3C1

JAE will be moving the manufacturing of IL-AG9-3S-S3C1 from Tijuana to Oregon. There will be an additional identical molding tool for capacity increase and/or backup if needed.

There will be no changes to design, form, fit or function. There will be no disruption to current product shipments.

For existing customers who require any special documentation such as PPAP, please contact your JAE account representative by October 18, 2019.

If you have any questions regarding this matter, please contact your JAE account manager.

Thank you for your cooperation.
