Subject: Notification of Discontinuation, GL1L and GL2L series

Chip Delay Lines (P/N)	GL1L5 and GL2L5 Series SMD type Time Delay: 0.1 to 5.0nS
Effective Date	LAST TIME BUY : March 31, 2015 LAST TIME SHIPMENT : May 31, 2015 Termination Date Jun 1, 2015
Reason for Change	Unfortunately, the SMD type Delay Lines has been below our expectations. From the production point of view, it's very difficult situation to keep the production lines. Therefore, it has become necessary to discontinue above product lines even though we are fully aware that this might be inconvenient for some of our customers.

Replacement P/N	N/A
Effective Date	N/A
