RE: FRAME 3D / VID 1942 (Lulzbot)

Part #: **KT-PR0056AU**

Per Mfg in email trail below – **this part number is not currently available to the Australian market.**

Could you possibly re-status this part number from an MQR part to something else. Maybe a Not_Avail status instead?

Hello Jane,
 Thank you for your patience, **we do not currently offer the TAZ Pro XT to the Australian market.**
 Do you think that the customer would have any interest in our other Australian printers?
