

Official Raspberry Pi Micro HDMI to HDMI Cable – 1 meter long

PRODUCT ID: 4302

We're now stocking a very fancy Official Raspberry Pi Micro HDMI to HDMI cable with overmolding and Pi logo! It has nice molded grips for easy installation, and is 1 meter long. Perfect for use with your new Raspberry Pi 4 and playing with dual screen setup (you'll need one per Micro HDMI port)

Please note that these molded connectors are a little chunkier than many classic HDMI cables.
