

Product Change Notification

PCN-ICC-7814-2022

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
ICC - Industrial Cabinet	BE1	Product Change Notification	Notify Distributors and Field	3/28/2022

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification
To maintain supply capability, the color of the fuse lever will be changed temporarily from black (RAL 9005) to graphite gray (RAL 7024). All other features (approvals, material, technical function, etc.) remain unaffected by this change.

Stock Status
Can existing stock still be used? Yes
Is mixture of stock acceptable? Yes

Transaction Dates
Date modification goes into effect from Germany: 3/1/2022
Expected first shipment (from Phoenix Contact) of the modified products(s):

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
