PCN Date: 05-JUL-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Supply contacts from another qualified source for SAE-AS81714 Terminal Junctions and derivatives.

Description of Changes

TE Connectivity is on the need to supply contacts from another qualified source under SAE-AS39029 in our QPL products qualified under SAE-AS81714 and its derivative products (specials), instead of our standards QPL contacts.

Reason for Changes:

Product improvement. In order to mitigate supply chain risk, and to continue providing quality, timely service to our customers, TE Connectivity may be intermittently sourcing contacts from a currently qualified source to AS39029/22-192, to be shipped with our SAE-AS81714 Terminal Junctions and derivatives.
