

Product Phased-Out Notice

Last Update: 9/12/2014

Due to discontinuance of IC components, ISG is announcing the End of Life notice for the following models. Please inform your customers and start to do substitute model verification as soon as possible. If you have a project that needs product life extension support please contact the corresponding PMs listed in the table below. Product life extension support may require MOQ, price up and longer L/T.
