### PDN-IFC-1162-2018

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
IFC - Industrial Field Connectivity	BF2	Product Discontinuation	Notify Distributors and Field	2/1/2018

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

#### Description for Product Discontinuation

We are excited to announce the migration of our traditional spring cage connectors to a new and improved Push-in design. The connector exterior is unchanged, while the internal wire connection point is updated. The new lever design makes it easier to process stranded wires. See the attached .PDF document for greater detail on the specific changes.

The new Push-in connectors are currently submitted for UL approval. The last buy date for the existing spring connectors will be either May 31st or when UL is obtained on the Push-in replacements, whichever is later.

#### Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No
