End-of-Life Notification

ERK, ERO and ERP Series (Safety Disc Capacitors)

EOL-031323-NLG

ID Number/Date	ID Number (MMDDYY): 031323																																																																																																																																																																																																																																																													
Affected Product/s	Product Series: ERK, ERO and ERP Safety Disc Capacitors Form Factor/s: Leaded Ceramic Disc Case Size/s: All Voltage Rating: All Packaging C-Spec/s: All Packaging Suffix/s: All																																																																																																																																																																																																																																																													
End-of-Life Overview	As part of KEMET's on-going product lifecycle management process, all ERK, ERO and ERP Safety Disc Capacitors series will be transitioned to an "End-of-Life" status.																																																																																																																																																																																																																																																													
Alternative Product	<p>This table highlights the main differences between the discontinued part number and the alternative part number.</p> <table border="1"> <thead> <tr> <th>EOL KEMET Part Effective Date	Last time buy (LTB): May 30 th , 2023 End Of Life (EOL): June 20 th , 2024 (Lead time 55 weeks)																																																																																																																																																																																																																																																													
Change details	<p>KEMET continues to offer and expand our Safety Disc series by adding new capacitance ranges and voltages to give customers a wide range of options. We currently have three series for Safety Discs and have overlap in the ranges. To simplify and focus our product offering, we are consolidating into a single Safety Disc offering (C700). There are some slight differences between the ERX and C700.</p> <p>Accepting orders for last time buy up until: May 30th, 2023</p>
