Effective: March 20, 2018

End of Life Notice for SG901-1059B 802.11 b/g/n Wireless USB Modules:

Dear valued customer,

On behalf of Sagrad, thank you for your continued use of Sagrad WIFI modules. Recently Sagrad was notified by our supplier that a component used for the following listed Sagrad products is going obsolete, and Sagrad needs to submit last time buys, for the affected component.

The affected Sagrad products are:

Part#	Description
SG901-1059B-3.3-H	WIFI Module 802.11N/B/G USB Ralink 3070 3.3v with header
SG901-1059B-3.3-C	WIFI Module 802.11N/B/G USB Ralink 3070 3.3v with connector
SG901-1059B-5.0-H	WIFI Module 802.11N/B/G USB Ralink 3070 5.0v with header
SG901-1059B-5.0-C	WIFI Module 802.11N/B/G USB Ralink 3070 5.0v with connector

As a result of this notification, Sagrad is announcing End-of-Life (EOL) for these affected products. Sagrad is currently working with our supplier to identify new generation, compatible replacements, for these identified, EOL, products. Sagrad will advise of plans for the replacement products as soon as possible.

Final purchase orders, to Sagrad, for these products, are due June 20, 2018

Final deliveries from Sagrad must occur on or before October 20, 2019

Regards: Bob Staats
